

Transdisciplinary Academy in Marine Resource Sustainability

Hatfield Marine Science Center, Newport, Oregon

August 25 - September 5, 2014

Engage

Explore perspectives on marine sustainability by engaging with leaders in marine science and resource management.

Collaborate

Work with peers and mentors on real-world problems in marine sustainability that require creative, cross-disciplinary solutions.

Innovate

Apply your skills to a team project that is commissioned by a state or federal agency or proposed by the participating students.

Apply Now! The academy is open to Ph.D. students and postdocs. There are no registration fees. Travel awards will be considered. Visit <http://www.marineresearchnetwork.org/> for more details. Deadline: May 15, 2014.
